APPEAL nearing the end but not quite there! We have now received 174 responses to the appeal for planned giving and are within striking distance of our target. We are conscious however, that quite a few regular church attenders have not replied and we would very much like to hear from you even if you are not able to help at this time. We will keep the appeal open until **mid-July** and additional peach forms can be found at the cross aisles if you have mislaid the one sent to you. Alternatively, please just send an email to Roger roger@chadder.co.uk

ERADICATING ECOCIDE At the Rio +20 Summit on 20-22 June, there will be a proposal to make Ecocide an international crime, alongside Genocide, Crimes Against Humanity, War Crimes and Crimes of Aggression. If successful, this will make it possible effectively to safeguard the global environment, by tipping the balance against organisations pursuing damaging projects for commercial gain. You can find out about this initiative at www.eradicatingecocide.com and, more to the point, you can support it by signing the Avaaz petition on this website.
