Governors for Bishop Gilpin Primary School The school was recently judged 'outstanding' by Ofsted. We have a committed and hard-working governing body, recognised by Ofsted to have exemplary practice. We are now looking for several new governors to fill forthcoming vacancies and add additional skills. Ideally we are looking for someone with education experience (in schools, local authorities or central government), someone to support our work on admissions, or someone with expertise in building or capital projects. You will need to be able to attend six evening meetings a year, a similar number of early morning committee meetings, and support the school at other times. If you are interested, or simply want to find out more, please e-mail us at chairofgovernors@bishoppilpin.org Please let us know by early June
