Climate Change Mass Lobby 26th June

As Christians, we seek to put our faith into action by loving and caring for our neighbours and the Earth, our common home. And right now, both are threatened from the impact of climate catastrophe. Urgent action is needed to save God's creation as we know it. Will you join the mass lobby in Westminster, London on 26 June 2019 1.00pm and tell MPs that it's time to act on climate catastrophe?

Climate change is devastating the world's poorest communities right now, as more extreme weather events, from flooding to droughts, drive families from their homes and create food crises. It is hitting the poorest hardest! We know what we need to do to reverse the trend of climate change and protect people: we need to cut global greenhouse emissions to net zero. The existing UK Government targets don't go far enough – we need to get to net zero by 2045 to make a difference. On 26 June, we'll come together in London to celebrate our faith in action, lobby our political representatives, pray together and energise one another for the challenges to come. For more information go to caid.org.uk/timeisnow

The Service @ 11.15 Steering Group

The next meeting of the Steering Group will be at 8.00pm on Wednesday 26 June at the Rectory. We would welcome new members. Please let Catherine know if you would like to join us.

ANTHEM TEXT

9.30am Factus est Repente *G Aichinger*

Suddenly there came a sound from heaven, as of a mighty wind coming where they were sitting, alleluia; and they were all filled with the Holy Spirit, speaking the wonderful works of God, alleluia, alleluia.

6.30pm Lead Me Lord SS Wesley

Lead me, Lord, lead me in thy righteousness, make thy way plain before my face. For it is thou, Lord, only, that makest me dwell in safety.

Words from Psalm 5:8, 4:9

HYMN FOR 9.30AM (Blue HON 654)

She sits like a bird, brooding on the waters, hovering on the chaos of the world's first day; she sighs and she sings, mothering creation, waiting to give birth to all the Word will say.

She wings over earth, resting where she wishes, lighting close at hand or soaring through the skies; she nests in the womb, welcoming each wonder, nourishing potential hidden to our eyes.

She dances in fire, startling her spectators, waking tongues of ecstasy where dumbness reigned; She weans and inspires all whose hearts are open nor can she be captured, silenced or restrained.

For she is the Spirit, one with God in essence, gifted by the Saviour in eternal love; she is the key opening the scriptures, enemy of apathy and heavenly dove.

John L Bell and Graham Maule
