MY VOICE LONDON is a small charity based in South Wimbledon. For the last 20 years they have helped 116,000 children to improve their life chances by assisting them to make better choices, improve their relationships and become more engaged at school. The charity has been supported by legacy grants, however, the current economic situation means that they risk having to close their services and have until the end of September to raise more funds. They have already raised more than £25,000 – please **help them to meet their target of £50,000 at www.myvoicelondon.org.uk**
